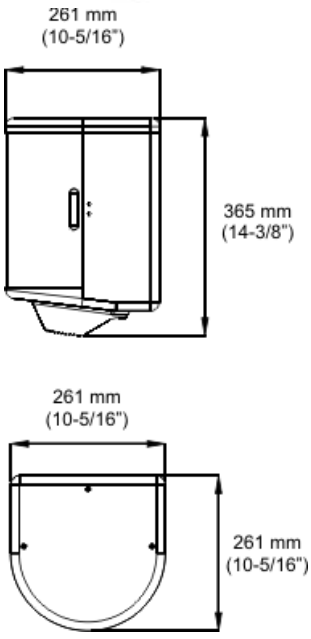
CENTRE FEED DISPENSER MEDICLINICS ®

Surface mounting, stainless steel AISI 304 bright finish

Código: DT0303C

General description
· Centre feed dispenser, surface mounted, stainless steel AISI 304 bright finish.
· Manual dispenser.
· Robust and vandal-resistant.
· Suitable for high traffic facilities.
· Model suitable for public use.
· It generally goes along with a soap dispenser and paper waste receptacle stainless steel AISI 304 bright finish, complemented by a warm air hand dryer.

Components and Materials
· Stainless steel AISI 304 body, 0,8 mm thick, bright finish. It is mounted on the wall by means of 4 wood screws with their corresponding 6 mm wall plugs.
· Polyamide lid ring jointed to the top lid by means of 3 pins.
· Polyamide door ring joint to the door by means of four screws. This ring rotes concentrically to the lid ring allowing the door slice from right to the left.
· Stainless steel AISI 304 seamless one-piece door, 0,8 mm thick, bright finish. The door include a crack helping to open the door.
· Stainless steel AISI 304 seamless one-piece basis, 0,8 mm thick. Welded to the body. It includes an teeth opening for the paper.
· High density polyethylene ring placed over the basis with a slot to put out the paper.
· Optional lock system with standard mediclinics® key.



Dim.: ±4%

Technical Specifications
