

### Liquid soap dispenser in stainless steel Article WP 208

- Full metal housing in robust, easy-to-clean stainless steel AISI 304, satin finished, all corners fully welded.
- Designed for 950 ml soap bottle = approx. 1300 portions, refillable with new screw cap (available from WAGNER-EWAR).
- Inspection slot to indicate filling level.
- Housing swings down for refilling.
- Dispenser with drip-free, single-hand pull-operation soap pump.
- Dispenser lockable with cylinder lock, fitted on the side.
- Easy to clean due to optimum accessibility.
- Simple mounting: insert in wall opening and secure in place; for installation in lightweight partition walls, create opening and provide some means of securing at the sides.
- Also available upon request in polished finish or with other surfaces.

#### Text suggestion for tender notices:
