The combination comprises a towel dispenser and a waste bin.

- Full metal housing in robust, easy-to-clean stainless steel AISI 304, satin finished, all corners fully welded.
- Combination lockable with cylinder locks using the same key.
- With integrated mounting frame around entire unit, 25 mm.
- Towel dispenser holds approx. 500 paper towels. Door swings out for refilling.
- Waste bin capacity approx. 15 litres, with removable plastic insert bin. Waste deposited through top, door swings down for emptying.
- Simple mounting: insert in wall opening and secure in place; for installation in lightweight partition walls, create opening 290 x 1360 x 110 mm and provide some means of securing at the sides.
- Also available upon request in polished finish or with other surfaces.

Combination in stainless steel Article WP 560
